

2023 MEMBERSHIP APPLICATION

Engage • Network • Advocate

(Membership valid from January 2023 through December 2023)

The National Coalition for Campus Children's Centers (N4C) is a nonprofit educational membership organization supporting excellence in programs for young children in communities of higher learning by providing opportunities for leadership, professional development, research, networking, and advocacy.

Our members are faculty, directors, administrators, and teachers from centers with diverse organizational, funding, and program structures at university and college campuses from across the United States and Canada as well as other early childhood education leaders.

- Center Directors Connect and Consult with peers across the USA via the active listserv.
- Faculty Stay Connected to practitioners and current topics in campus programs.
- Members Become Better Leaders through live events and on-line documents and resources.
- Associates Develop and Train to become the future leaders in campus child care and administration.
- **Members Ensure the Circle of Success** with the support of a strong national network of professionals that are invested in the quality and access of education provided to students, student parents and children alike.
- **Corporate Partners** connect with the campus leaders and decision makers to help ensure that quality products and services are available at university and/or college child care centers.
